Laurel Camp Policies

Financial Policies

A non-refundable 25% deposit is due when you register. The balance of your payment is due July 1st. Returned checks will result in a fee of \$40.00. Last minute registration will be handled on a case-by-case basis.

New Church ministers are exempt from payment, but payment will be needed for any spouse and children attending camp. Please note that *if you are able* to pay at least the rate listed in the second column, we ask that you do so, as this second column reflects the actual cost to run camp. Of course, donations in addition to tuition are always appreciated and a letter for tax purposes to acknowledge any donation beyond your tuition rate is available upon request.

Children

All children and teens must sleep in their family's cabin. If you plan on bringing children under 13, you are EXPECTED to have TWO responsible adults as part of your family.

Single adults are certainly welcome to come to Laurel with her/his children. A second responsible adult is needed to supervise your children while you are in groups. If you do not have a 2nd adult, the Registrar will communicate with you and help you find someone.

Additional Children, Teens, and Guests

If you are planning to bring anyone who is not part of your immediate family unit (friends, guests, young adult children, teens, and children), please have them fill out a **separate** registration form. Parents who send their children/teens with someone else should understand this is a personal decision. The adult that brings the additional children/teens have *complete responsibility* for them, including sick care, discipline, etc. Laurel does not arrange rides or find adults to accept responsibility for children/teens who come to Laurel without their parents.

Young Adults and Driving

You must be **25** years or older to drive a 21 year old and under non-member family member.

Saturday Volunteer Worker

Setting up for Laurel Family Camp to start on Sunday takes many hours and people. You may choose to come on Saturday, but you **MUST** work to set up various areas of the camp. No meals or programming are provided on Saturday or Sunday morning. Laurel Family Camp officially opens on Sunday at 12pm and closes the following Saturday at 12pm.
